ABOUT US

David Industrial Services, LLC has served government agencies and commercial clients since 1998. We specialize in trail and trail-bridge construction, culvert and headwall replacement, right-of-way clearing and forestry mulching, dirt and gravel road maintenance, herbicide application, and large-scale grounds maintenance. Our company is led by an owner with more than 35 years of heavy equipment experience. We bring late-model professional equipment, certified applicators, and a proven record of completing federal projects at remote, hard-to-reach sites on time and within budget. To date, we have been awarded **over $14 million in federal contracts** with USACE, the U.S. Air Force, the USDA Forest Service, and the National Park Service. Our commitment to safety, cost-effective solutions, and responsive service protects and enhances the value of our clients' properties.

CORE COMPETENCIES

- **Trail, trail-bridge, and boardwalk construction**
- **Culvert, pipe, and CIP headwall replacement**
- **Right-of-way clearing & forestry mulching**
- **Land clearing, grubbing, and stump grinding**
- **Tree removal & storm-debris cleanup**
- **Dirt & gravel road grading and maintenance**
- **Herbicide & pesticide application (vegetation control)**
- **Large-acreage, roadside, and slope mowing**
- **Grounds & lawn maintenance**
- **Demolition & site preparation**
- **Facility support services**
